Re: Fresno River Riparian and Senior Appropriative Right Holders Land Crop Report and Map

Dear Riparian and Senior Appropriative Right Holders:

In accordance with the Fresno River Operations Protocols, Madera Irrigation District (MID or District) is required to request the following documents from Fresno River Riparian and Senior Appropriative Right Holders annually for the purpose of allocating Fresno River flows to each Riparian and Senior Appropriative Right Holder for the upcoming year:

ANNUAL CROPPING SUBMITTAL

Madera Irrigation District, in compliance with the Fresno River Operations Protocols, calls on Fresno River Riparian Users and Senior Appropriative Right Holders to annually submit their current crop pattern for the riparian water year (October 2012-September 2013), acreage map, and diversion capacity to the District.

This information should include:

- Acreage
- Crop pattern
- Irrigation type
- Cover crop (if applicable)
- Diversion capacity

The District reserves the right to visually inspect the subject property, either on the ground or via satellite imagery, and to compare each parcels cropping pattern that is submitted.

The attached form and any other requested information must be received by the District no later than 4:00 PM on Friday, December 27, 2013. If the data requested is not provided by the deadline, the District will assume that the Riparians and/or Senior Right Holders will not be diverting Fresno River flows for this coming year.

ADDITIONAL REQUIRED DOCUMENTS

District records indicate the required documents checked below have not been provided to the District. These documents must also be submitted by 4:00 PM on December 27, 2013.

- ☐ 1. Chain of Title or Legal Opinion that your land is eligible to receive Fresno River riparian water
- ☐ 2. Independent pump test or diversion capacity flow test documenting your diversion capacity. ***Note-if your diversion capacity has changed since your last submittal, it is your responsibility to notify MID.***
- ☒ 3. 2014 crop map
- ☒ 4. A copy of your latest "Statement of Diversion and Use" as required by the State Water Resources Control Board. Please refer to http://www.waterboards.ca.gov/waterrights/water_issues/programs/diversion_use/ for more information.
- ☒ 5. 2014 Riparian/Senior Appropriative Right Holders cropping information sheet (enclosed)

Thank you in advance for your cooperation.

Sincerely,

Dina Cadenazzi Nolan, PE

Re: Fresno River Riparian and Senior Appropriative Right Holders Land Crop Report and Map

Dear Riparian and Senior Appropriative Right Holders:

In accordance with the Fresno River Operations Protocols, Madera Irrigation District (MID or District) is required to request the following documents from Fresno River Riparian and Senior Appropriative Right Holders annually for the purpose of allocating Fresno River flows to each Riparian and Senior Appropriative Right Holder for the upcoming year:

ANNUAL CROPPING SUBMITTAL

Madera Irrigation District, in compliance with the Fresno River Operations Protocols, calls on Fresno River Riparian Users and Senior Appropriative Right Holders to annually submit their current crop pattern for the riparian water year (October 2012-September 2013), acreage map, and diversion capacity to the District.

This information should include:

- Acreage
- Crop pattern
- Irrigation type
- Cover crop (if applicable)
- Diversion capacity

The District reserves the right to visually inspect the subject property, either on the ground or via satellite imagery, and to compare each parcels cropping pattern that is submitted.

The attached form and any other requested information must be received by the District no later than 4:00 PM on Friday, December 27, 2013. If the data requested is not provided by the deadline, the District will assume that the Riparians and/or Senior Right Holders will not be diverting Fresno River flows for this coming year.

ADDITIONAL REQUIRED DOCUMENTS

District records indicate the required documents checked below have not been provided to the District. These documents must also be submitted by 4:00 PM on December 27, 2013.

- ☒ 1. Chain of Title or Legal Opinion that your land is eligible to receive Fresno River riparian water
- ☒ 2. Independent pump test or diversion capacity flow test documenting your diversion capacity. ***Note-if your diversion capacity has changed since your last submittal, it is your responsibility to notify MID.***
- ☒ 3. 2014 crop map
- ☒ 4. A copy of your latest "Statement of Diversion and Use" as required by the State Water Resources Control Board. Please refer to http://www.waterboards.ca.gov/waterrights/water_issues/programs/diversion_use/ for more information.
- ☒ 5. 2014 Riparian/Senior Appropriative Right Holders cropping information sheet (enclosed)

Thank you in advance for your cooperation.
